Brothers and Sisters it is always a pleasure to see another anniversary celebration. Psalms 133 teaches us that there is strength won from our organizations working together in unity. That is the true benefit of working off the power that God's love brings. It is in this spirit that we feature this

combined Anniversary celebration with our partnering organizations.

Our theme this year supports the very same concept: ***The Power of Love*** featuring our own ILL. Nealand Lewis as speaker.

King James #190 has enjoyed a productive year working on a number of projects in the community including but not limited to: Albemarle Road Adopt a Highway Clean up, Back to Class School Supply Drive, and the Self Defense Class held for the Woman's Battered Shelter of Charlotte.

As we move forward into 2017, may God continue to strengthen each of us as we work together building our communities of tomorrows within the City of Charlotte, the great State of North Carolina, and this great country.

St. Paul Lodge #12 has enjoyed a productive year. We are happy to welcome two new brothers to the lodge this year, Bro. Donald Hairston & Anthony Flores. Also congratulations Brothers Steve McKinney, Charles Carter, & James Culp for seeking more light in masonry being elevated to the 18th degree. I know these brothers take this journey serious and I am proud of them. We are pleased with the year and are looking forward to the upcoming events.

Greetings! From Alpha Centauri #009! We welcome each of you with open arms and sincere sisterly love. It is through God's grace and mercy which have allowed us to celebrate 36 wonderful years. Alpha, the Greek meaning "The First" and Centauri, "The Brightest Star", describes my fellow Sisters to a tee.

We are a source that understands we lead by example because we know who guides us and direct our path...Our Almighty God. For this we are eternally grateful and forever our lights will **Shine!!!**

As Always, Be Bless!!

One of the attributes of becoming a member of the Order is learning about the labyrinth of life with its many twists and turns. Together, we overcame many obstacles in our path this past year. We withstood the wilding winds and focus on our destination. We are fighters, strong women of God and because of our faith, we are here standing stronger than we ever had before.

We are the proud recipient of the "**2015 Extra Mile Award**". Our chapter is growing and will continue to serve our community. We are placing our imprints in the community!

Alpha Centauri Chapter #009 is one of the oldest Chapters working under the authority of United National Supreme Council, Ancient and Accepted Scottish Rite Free Masons of the World, 33° and Last Degree and Order of Eastern Stars, Inc. This chapter began 35 years ago in 1980.

We work hard to serve all in need, with God's help through Jesus Christ our Lord. We pray continuously and believe with all our hearts that we will maintain and continue as God lead us from the beginning.

Past Matrons include: Sister Wynetta Jefferson, Sister JoAnne Jackson, Sister Mildred Price, Sister Ethel Presson, Sister Barbara Dupree, and Sister Shirley Jones. Past Patrons include: ILL. Kenneth Moore, 33, ILL. Wilber Allen, 33, Brother James Strong, ILL. Hubert Jones, and ILL. Lewis Hall.

Sister Annie Audrey is the only original member that we are blessed to have with us. Our chain has been broken four times: Sister Oliver Standback-Kirt, Brother Arthur Woodard, and Sister Anna McCorey, and Sister Barbara DuPree. We loved them dearly but God loved them best!

Throughout the years, we have been down in membership, but somehow God has reached way down with His hands of love and picked us back up. We can't and we won't do anything without God, for it is He who orders and directs our steps.

From Alpha Centauri Chapter #009, one successful chapter was born, "Rising Star Chapter #712". We are truly proud of our Sisters.

With God through Jesus Christ as our Leader, and Sister Jeanette McCray, our Worthy Matron, we have come a long way. The chapter was gone through good and bad times but we continue to strive forward as we look toward the hills for our help. Alpha

Centauri #009 commits yearly to support many charities: Crisis Ministry, Women Shelter, Men Shelter, The Parc at Sharon, Breast Cancer Awareness, Lupus Awareness and many, many more. We are always reaching out to those in need; particularly the young, the elderly, the sick, and those who may be in need of emotional support. In this state of our economy, we will continue to seek out and to help those in need. So may the work we've done and continue to do speak for us.

Our first community service entailed collecting new and slightly used coats for children. We partnered with Steve Coats from WSOC-TV and were able to donated coats to children of this community. We thank Sister Gloria Emery for spearheading this project. The 2nd project AC#9 provided lunch to many homeless individuals. We collectively passed out over 100 lunches with water and juices to children, women, and men. It was a humbling experience! Our 3rd project, AC#9 and King James Lodge collaboratively completed our first Adopt-A-Highway project located on Albemarle Road. It was an enlighten experience to be able to make our community clean for our fellowmen. We hope to complete another civic project before November.

Our Motto is: "It's nice to be important, but more important to be nice."Alpha
